Globally Harmonized System of Classification and Labelling of Chemicals (GHS)

SILVERSHINES1500

Version 3.0

Revision Date 30.05.2022

Print Date 03.12.2024

SECTION 1: Identification of the substance/mixture and of the company/undertaking

1.1 Product identifier

Trade name	:	SILVERSHINE S 1500
Material number	:	053038JD0

1.2 Relevant identified uses of the substance or mixture and uses advised against

This information is not available.

1.3 Details of the supplier of the safety data sheet

Company	: ECKART GmbH Guentersthal 4 91235 Hartenstein
Telephone	: +499152770
Telefax	: +499152777008
E-mail address	: msds.eckart@altana.com
Responsible/issuing person	

1.4 Emergency telephone number

NCEC: (contract no.: ECKART29003-NCEC) +44 1235 239671 (Middle East/Africa, call and response in your language) +1 215 207 0061 (Americas, call and response in your language) +65 3158 1074 (Asia-Pacific, call and response in your language)

SECTION 2: Hazards identification

GHS Classification

: Flammable liquids, Category 3, H226 Specific target organ toxicity - single exposure, Category 3, Central nervous system, H336

SECTION 4: First aid measures

4.1 Description of first aid measures

General advice	 Move the victim to fresh air. Do not leave the victim unattended. Move out of dangerous area. Show this safety data sheet to the doctor in attendance. Do not leave the victim unattended.
lf inhaled	 Remove to fresh air. Consult a physician after significant exposure. If unconscious, place in recovery position and seek medical advice.
In case of skin contact	: Wash off immediately with soap and plenty of water. If on clothes, remove clothes.
In case of eye contact	 Immediately flush eye(s) with plenty of water. Flush eyes with water as a precaution. Remove contact lenses. Keep eye wide open while rinsing. If eye irritation persists, consult a specialist.
If swallowed	: Keep respiratory tract clear. Do not give milk or alcoholic beverages. Never give anything by mouth to an unconscious person. If symptoms persist, call a physician.

4.2 Most important symptoms and effects, both acute and delayed

This information is not available.

4.3 Indication of any immediate medical attention and special treatment needed

This information is not available.

SECTION 5: Firefighting measures

5.1 Extinguishing media

Suitable extinguishing media	:	Dry sand, ABC powder, Foam
Unsuitable extinguishing media	:	High volume water jet
		High volume water jet
5.2 Special hazards arising from	the	substance or mixture
Specific hazards during firefighting	:	Do not allow run-off from fire fighting to enter drains or water courses.
5.3 Advice for firefighters		
Special protective equipment for firefighters	:	Wear self-contained breathing apparatus for firefighting if necessary.
Further information	:	Collect contaminated fire extinguishing water separately. This must not be discharged into drains. Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations. For safety reasons in case of fire, cans should be stored separately in closed containments. Use extinguishing measures that are appropriate to local circumstances and the surrounding environment. Use a water spray to cool fully closed containers.

Print Date 03.12.2024

SECTION 6: Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures

Personal precautions	Personal precautions	:	Evacuate personnel to safe areas.
			Remove all sources of ignition.
			Evacuate personnel to safe areas.
			Beware of vapours accumulating to form explosive
			concentrations. Vapours can accumulate in low areas.

6.2 Environmental precautions

Environmental precautions	: Prevent product from entering drains.
	Prevent further leakage or spillage if safe to do so.
	If the product contaminates rivers and lakes or drains inform
	respective authorities.

6.3 Methods and materials for containment and cleaning up

Methods for cleaning up	 Use mechanical handling equipment. Soak up with inert absorbent material (e.g. sand, silica gel, acid binder, universal binder, sawdust). Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see section 13).
	5

6.4 Reference to other sections

For personal protection see section 8.

SECTION 7: Handling and storage

7.1 Precautions for safe handling

Advice on safe handling	: Avoid formation of aerosol. Do Avoid exposure - obtain special personal protection see section drinking should be prohibited in	l instructions before use. For 8. Smoking, eating and
Page 6 / 21	102000002377	A member of C ALTANA

	sufficient air exchange and/or drum carefully as content ma	nst static discharges. Provide exhaust in work rooms. Open y be under pressure. Dispose of h local and national regulations.
Advice on protection against fire and explosion	: Do not spray on a naked flam Take necessary action to avo (which might cause ignition o from open flames, hot surface	id static electricity discharge f organic vapours). Keep away
Hygiene measures	: Wash hands before breaks a	nd at the end of workday.
7.2 Conditions for safe storage, i	cluding any incompatibilities	
Requirements for storage areas and containers	with water liberates extremely measures to prevent the build explosion-proof equipment. S containers tightly closed in a	paratuses is essential. Reaction flammable gas (hydrogen) Take d up of electrostatic charge. Use Store in original container. Keep cool, well-ventilated place. Keep n - No smoking. Keep container
	ventilated place. Containers v carefully resealed and kept up	oright to prevent leakage. lectrical installations / working
Further information on storage conditions	: Protect from humidity and wa	ter.
Advice on common storage	and self-igniting products. Ne contact with water during store	not store together with oxidizing ever allow product to get in rage. Keep away from oxidizing strongly acid materials in order to
Other data	: No decomposition if stored a	nd applied as directed.
