CECKART

HYDROSHINE WS 6001

Version 3.0

Revision Date 01.12.2023

Print Date 16.04.2024

SECTION 1: Identification of the substance/mixture and of the company/undertaking

1.1 Product identifier

Trade name	: HYDROSHINE WS 6001
Material number	: 021905AN0

1.2 Relevant identified uses of the substance or mixture and uses advised against

This information is not available.

1.3 Details of the supplier of the safety data sheet

Company	: ECKART Suisse SA
	Route de la Brasserie 2
	1963 Vétroz
Telephone	: +410273454800
Telefax	: +410273454859
E-mail address	: msds.eckart@altana.com
Responsible/issuing person	

1.4 Emergency telephone number

NCEC:

(contract no.: ECKART29003-NCEC) +44 1235 239671 (Middle East/Africa, call and response in your language) +1 215 207 0061 (Americas, call and response in your language) +65 3158 1074 (Asia-Pacific, call and response in your language)

SECTION 2: Hazards identification

GHS Classification

: Flammable liquids, Category 2, H225 Acute toxicity, Category 5, Oral, H303 Acute toxicity, Category 5, Inhalation, H333

Page 1 / 20	102000023686	A member of C ALTANA

SECTION 4: First aid measures

4.1 Description of first aid measures

General advice	: Move out of dangerous area. Show this safety data sheet to the doctor in attendance. Do not leave the victim unattended.
If inhaled	 Remove to fresh air. Consult a physician after significant exposure. If unconscious, place in recovery position and seek medical
In case of skin contact	advice. : If skin irritation persists, call a physician. If on clothes, remove clothes.
In case of eye contact	 Immediately flush eye(s) with plenty of water. Remove contact lenses.

Globally Harmonized System of Classification and Labelling of Chemicals (GHS)

HYDROSHINE WS 6001

Version 3.0	Revision Date 01.12.2023	Print Date 16.04.2024

If swallowed	Keep eye wide open while rinsing. If eye irritation persists, consult a specialist. Keep respiratory tract clear.
	Do not give milk or alcoholic beverages.
	Never give anything by mouth to an unconscious person. If symptoms persist, call a physician.

4.2 Most important symptoms and effects, both acute and delayed

This information is not available.

4.3 Indication of any immediate medical attention and special treatment needed

This information is not available.

SECTION 5: Firefighting measures

5.1 Extinguishing media

This information is not available.

5.2 Special hazards arising from the substance or mixture

Specific hazards during	:	Do not allow run-off from fire fighting to enter drains or water
firefighting		courses.

5.3 Advice for firefighters

Special protective equipment for firefighters	: Wear self-contained breathing apparatus for firefighting if necessary.	
Further information	Collect contaminated fire extinguishing water separately. This must not be discharged into drains. Fire residues and contaminated fire extinguishing water must be disposed of ir accordance with local regulations. For safety reasons in case of fire, cans should be stored separately in closed containments. Use extinguishing measures that are appropriate to local circumstances and the surrounding environment. Use a water spray to cool fully closed containers.	ו

SECTION 6: Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures

Personal precautions	: Use personal protective equipment.
	Ensure adequate ventilation.
	Remove all sources of ignition.
	Evacuate personnel to safe areas.
	Beware of vapours accumulating to form explosive
	concentrations. Vapours can accumulate in low areas.

6.2 Environmental precautions

General advice	: Prevent product from entering drains.
	Prevent further leakage or spillage if safe to do so.
	If the product contaminates rivers and lakes or drains inform
	respective authorities.

This information is not available.

6.3 Methods and materials for containment and cleaning up

Methods for cleaning up	: Contain spillage, and then collect with non-combustible
	absorbent material, (e.g. sand, earth, diatomaceous earth,
	vermiculite) and place in container for disposal according to
	local / national regulations (see section 13).

6.4 Reference to other sections

This information is not available.

SECTION 7: Handling and storage

7.1 Precautions for safe handling

Advice on safe handling	: Avoid formation of aerosol. Do Avoid exposure - obtain specia contact with skin and eyes. For section 8. Smoking, eating and in the application area. Take p	I instructions before use. Avoid r personal protection see drinking should be prohibited

8.2 Exposure controls

Personal protective equipment					
Eye protection	:	Tightly fitting safety goggles Wear face-shield and protective suit for abnormal processing problems.			
Hand protection					
Remarks	:	The suitability for a specific workplace should be discussed with the producers of the protective gloves.			
Skin and body protection	:	Impervious clothing Choose body protection according to the amount and concentration of the dangerous substance at the work place.			
Respiratory protection	:	In the case of vapour formation use a respirator with an approved filter.			

Environmental exposure controls
