ULTRASTAR UV SP-8712 Silver

Version	Revision Date:	SDS Number:	Print Date: 09.12.2023
14.1	08.12.2023	102000021544	Date of first issue: 05.02.2014

SECTION 1: Identification of the substance/mixture and of the company/undertaking

1.1 Product identifier	
Trade name	: ULTRASTAR UV SP-8712 Silver
Product code	: 007647U30

1.2 Relevant identified uses of the substance or mixture and uses advised against

Use of the	: Colorant; Printing ink related material; Printing ink
Substance/Mixture	

1.3 Details of the supplier of the safety data sheet

Company	ECKART C Guentersth 91235 Ha	nal 4
Telephone	+49915277	70
Telefax	+49915277	77008
E-mail address of person responsible for the SDS	msds.ecka	rt@altana.com

1.4 Emergency telephone number

NCEC: +44 1235 239670 (Europe) Call and response in your language is possible. Contract no.: ECKART29003-NCEC.

SECTION 2: Hazards identification

2.1 Classification of the substance or mixture

Classification (REGULATION (EC) No 1272/2008)

Skin irritation, Category 2 Serious eye damage, Category 1H318: Causes serious eye damage.Skin sensitisation, Category 1H317: May cause an allergic skin reaction.Long-term (chronic) aquatic hazard,H411: Toxic to aquatic life with long lasting effects. Category 2

- H315: Causes skin irritation.

2.2 Label elements

Labelling (REGULATION (EC) No 1272/2008)

according to Regulation (EC) No. 1907/2006

ULTRASTAR UV SP-8712 Silver

Version 14.1	Revision Date: 08.12.2023	-	DS Number: 02000021544	Print Date: 09.12.2023 Date of first issue: 05.02.2014
Hazard	l pictograms	:		
Signal	word	:	Danger	• •
Hazard	statements	:	H315 H317 H318 H411	Causes skin irritation. May cause an allergic skin reaction. Causes serious eye damage. Toxic to aquatic life with long lasting effects.
Precau	tionary statements	:	Prevention: P261 P264 P273 P280	Avoid breathing mist or vapours. Wash skin thoroughly after handling. Avoid release to the environment. Wear protective gloves/ eye protection/ face protection.
			Response: P305 + P351 + P3 P391	

Hazardous components which must be listed on the label:

hexamethylene diacrylate Propylidynetrimethanol, ethoxylated, esters with acrylic acid Bisphenol A epoxy acrylate 2-Propenoic acid, reaction products with pentaerythritol phenyl bis(2,4,6-trimethylbenzoyl)-phosphine oxide Glycerol, propoxylated, esters with acrylic acid 2-ethylhexyl acrylate

2.3 Other hazards

This substance/mixture contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or higher.

SECTION 3: Composition/information on ingredients

3.2 Mixtures

SECTION 4: First aid measures

4.1 Description of first aid measures

General advice :	Move out of dangerous area. Consult a physician. Show this safety data sheet to the doctor in attendance. Do not leave the victim unattended.
If inhaled :	Remove to fresh air. If unconscious, place in recovery position and seek medical advice. If symptoms persist, call a physician.
In case of skin contact :	If skin irritation persists, call a physician. If on skin, rinse well with water. If on clothes, remove clothes.
In case of eye contact :	Small amounts splashed into eyes can cause irreversible tissue damage and blindness. In the case of contact with eyes, rinse immediately with plenty of water and seek medical advice. Continue rinsing eyes during transport to hospital. Remove contact lenses. Keep eye wide open while rinsing. If eye irritation persists, consult a specialist.

according to Regulation (EC) No. 1907/2006

ULTRASTAR UV SP-8712 Silver

Version 14.1	Revision Date: 08.12.2023	SDS Number: 102000021544	Print Date: 09.12.2023 Date of first issue: 05.02.2014		
If swallowed		Do NOT induce Do not give mil Never give any If symptoms pe	 Keep respiratory tract clear. Do NOT induce vomiting. Do not give milk or alcoholic beverages. Never give anything by mouth to an unconscious person. If symptoms persist, call a physician. Take victim immediately to hospital. 		
4.2 Most i	important symptoms	and effects, both ac	ute and delayed		
Risks	:	: Causes skin irr May cause an Causes serious	allergic skin reaction.		
	tion of any immedia nation is not available		and special treatment needed		

SECTION 5: Firefighting measures

5.1 Extinguishing media

Unsuitable extinguishing	:	High volume water jet
media		

5.2 Special hazards arising from the substance or mixture

	Do not allow run-off from fire fighting to enter drains or water courses.
--	---

5.3 Advice for firefighters

Special protective equipment	:	Wear self-contained breathing apparatus for firefighting if
for firefighters		necessary.
Further information	:	Collect contaminated fire extinguishing water separately. This must not be discharged into drains. Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations. Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

SECTION 6: Accidental release measures

6.1 Personal precautions, prot	ective equip	oment and emergency procedures	
Personal precautions	: Use p	ersonal protective equipment.	
6.2 Environmental precautions			
General advice	: Preve	nt product from entering drains.	

according to Regulation (EC) No. 1907/2006

Version 14.1	Revision Date: 08.12.2023	SDS Number: 102000021544	Print Date: 09.12.2023 Date of first issue: 05.02.2014
			er leakage or spillage if safe to do so. contaminates rivers and lakes or drains inform thorities.
6.3 Metho	ods and material for	containment and cle	aning up
Meth	ods for cleaning up	acid binder, u	inert absorbent material (e.g. sand, silica gel, niversal binder, sawdust). ble, closed containers for disposal.
6.4 Refere	ence to other sectior	·	ble, closed containers for disposal.

For personal protection see section 8.

SECTION 7: Handling and storage

7.1 Pr	ecautions for safe handling		
A	dvice on safe handling	:	Do not breathe vapours/dust. Avoid exposure - obtain special instructions before use. Avoid contact with skin and eyes. For personal protection see section 8. Smoking, eating and drinking should be prohibited in the application area. To avoid spills during handling keep bottle on a metal tray. Dispose of rinse water in accordance with local and national regulations. Persons susceptible to skin sensitisation problems or asthma, allergies, chronic or recurrent respiratory disease should not be employed in any process in which this mixture is being used.
	dvice on protection against re and explosion	:	Normal measures for preventive fire protection.
Н	ygiene measures	:	When using do not eat or drink. When using do not smoke. Wash hands before breaks and at the end of workday.
7.2 Co	onditions for safe storage, in	clu	uding any incompatibilities
	equirements for storage reas and containers	:	Keep container tightly closed in a dry and well-ventilated place. Containers which are opened must be carefully resealed and kept upright to prevent leakage. Electrical installations / working materials must comply with the technological safety standards.
-	urther information on torage stability	:	No decomposition if stored and applied as directed.

No data available

12.5 Results of PBT and vPvB assessment

Product:

Assessment

: This substance/mixture contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or higher.

12.6 Endocrine disrupting properties

No data available

12.7 Other adverse effects

Product:

Additional ecological	:	An environmental hazard cannot be excluded in the event of
information		unprofessional handling or disposal.
		Toxic to aquatic life with long lasting effects.

Components:

Glycerol, propoxylated, este	ers	with acrylic acid:
Additional ecological information	:	No data available
2-ethylhexyl acrylate:		
Additional ecological information	:	No data available

SECTION 13: Disposal considerations

European Waste Catalogue	:	08 03 12 - waste ink containing dangerous substances
13.1 Waste treatment methods		
Product	:	The product should not be allowed to enter drains, water courses or the soil. Do not contaminate ponds, waterways or ditches with chemical or used container. Send to a licensed waste management company.
Contaminated packaging	:	Empty remaining contents. Dispose of as unused product. Do not re-use empty containers.
